This topographic map shows the training site area. Key landmarks include the Asahikawa River (芦田川) flowing from the top, the Takayama River (高屋川) flowing from the bottom right, and the Nakatsubara Water Treatment Plant (中津原浄水場) in the bottom right. The Ohtsukawa Bridge (大渡橋) is marked with a green box. A parking lot (駐車場) is marked with a red box. The 'See and Be Seen' building (見る視る館) is marked with a green box. Two specific equipment locations are marked with orange boxes: 'Rope Work & Pack Test' (ロープワーク・パックテスト) and 'Oil Fence' (オイルフェンス). A pink box labeled 'P' and a yellow box labeled 'T' are also present near the riverbank.
