Tour menu

1 Inata-Honten Co., Ltd (sake brewery)

- A long-established sake brewery since the Edo period.
- The sake is brewed with "good water" and "good rice" surrounded by the rich nature at the foot of Mt.
- During a tour of the brewery, you can learn about the history of Inada Honten, its facilities, and the sake brewing process.

2 Yonago Waterbird Sanctuary

- A waterbird sanctuary that is familiar to the community.
- Nature guide is resident.
- We sell various wild bird goods.
- We are planning to have a experience program "Making Shimenawa, a sacred rope" and "Backyard Tour".

3 Izumo Ori / Noki Swan Village

- Visit the a thatched quaint Japanese style house, which produces Shimane's traditional craft "Izumo Ori".
- Let's bake and eat rice cakes in the irori, sunken hearth. Experience traditional Japanese culture.

4 Farm Ukasho Paddy field

- About 1,000 swans overwinter every year.
- Observe the humorous appearance of swans eating food in the surrounding the vast rice fields.
- Where we expect to watch swans flying home to roost in the beautiful sunset.

* 04:50 PM ~ Opinion exchange meeting
